## **Christmas Lesson**

## Pre-Intermediate Worksheet Teacher's Notes

- 1. Present new vocabulary in the form of drawings and wordcards.
  - Put the pictures on the board and ask the pupils to stick the wordcards to the corresponding pictures.
- 2. Give pupils the text about Christmas and the crossword.
  - You can underline the words used in the crossword to make it a little bit easier.
  - The task is to do the crossword in pairs or in groups. After all groups had finished, one person writes the correct answers on the board to check whether they were right.
- 3. Discuss symbolism connected with the words and compare Christmas in Poland and Great Britain
  - Let pupils talk about their experiences and their personal lives. Focus on using the following words: stocking, Santa Claus, reindeer, sledge, bell, cake, milk, star, Christmas Tree, pudding, elf, presents, carol, Christmas greeting cards, turkey.
- 4. OPTIONAL: If you like singing with your pupils, you might distribute the text of one or two famous carols and sing together.
